About Us

Trivenidevi Bhalotia College (TDBC) commenced its journey from 1957 as a UGC approved College [under 2(f) and (12b)], affiliated under the University of Calcutta. Later in 1960, it became affiliated to the University of Burdwan. Presently the College came under the aegis of Kazi Nazrul University on 24th June, 2015. The college has been accredited by NAAC (2nd Cycle) in 2022. The College is a co-educational institution which is running in two shifts – Morning shift (Only for Commerce stream) and Day shift.

Over the years, the college has consolidated its position as a premier institution in the state of West Bengal imparting learning in diverse areas of Humanities, Commerce and Basic Sciences. Emerging Subjects in the field of Applied Sciences such as Computer Science, Electronics, Biochemistry, Psychology, Nutrition are given due emphasis. Eight PG courses specialized in specific fields aims to explore the horizon of knowledge among the students. Such specialization will help to place students in various research fields, jobs as well as entrepreneurship. It is also to be noted that several other courses are in the pipe line which are to be initiated soon.

The philosophy of education as imparted by the College gets translated into its somewhat advanced academic structure. Grounded to the fact of reality, TDBC has sought to avoid the narrowly conceived structure of conventional education, preferring instead to bring allied and applied disciplines within the broad spectrum of its academic wing, under whose ambit of supervision pupils can opt any subjects of their own choice. There are also Special Centres beyond this broad structures, called Jiyonkathi, that extends the teaching-learning process among under privileged primary school children.

Trivenidevi Bhalotia College offers UG and PG courses in the Humanities, Science and Commerce stream. At present there are 28 UG Departments and 8 PG Departments along with 6 Ph. D Programmes in the College.
