## Activity Report

The observance of **World Environment Day 2026** was successfully organized at Trivenidevi Bhalotia College, Raniganj, with the objective of raising awareness of environmental conservation, sustainable development, and responsible citizenship. The program brought together faculty members, NSS volunteers, students, and speakers from various disciplines. On the occasion of World Environment Day 2026, a seminar club named "Scholars' Colloquium" was inaugurated and established in this institution.

The program commenced with a tree plantation from 9:30 A.M. to 10:00 A.M., led by **Mr. Ashis Ch. Gorai** and **Dr. Monalisa Bhattacharjee**, NSS Officers of the college. Students and faculty members actively participated in planting saplings within the college premises, symbolizing the institution's commitment to environmental sustainability.

The formal session began with the inaugural speech from 10:00 A.M. to 10:20 A.M., delivered by the **Dr. Sharbani Banerjee**, Teacher-in-Charge of Trivenidevi Bhalotia College, who emphasized the importance of environmental awareness, climate change, and collective responsibility towards preserving nature.

The academic session was chaired by **Dr. Subrata Chakraborty**, Department of Botany, from 10:20 A.M. to 12:15 P.M.

The first lecture was delivered by **Dr. Batu Ghosh**, Department of Physics, from 10:20 A.M. to 10:45 A.M. on the topic "Green Energy Generation and Efficient Energy Utilization: The Role of Solar Cells and LEDs." The lecture highlighted renewable energy technologies and their significance in achieving sustainable development.

The second lecture was presented by **Dr. Sasadhar Majhi**, Department of Chemistry, from 10:50 A.M. to 11:15 A.M. on "Sustainable Development and Waste Reduction: Intensification of the Economy with the Least Pollution." The speaker discussed eco-friendly industrial practices and strategies for minimizing environmental pollution.

The third lecture, held from 11:20 A.M. to 11:45 A.M., was delivered by **Dr. Koushik Dutta**, Department of Environmental Science, on "Environmental Disintegration Due to Mining: A Case Study of Odisha." The lecture focused on the ecological consequences of mining activities and the need for sustainable resource management.

The final lecture of the session was delivered by **Mr. Ashis Ch. Gorai**, Department of Political Science, from 11:50 A.M. to 12:15 P.M. on "Swachh Bharat Abhiyan: Reel Vs Reality." The speaker critically examined the achievements and challenges of the national cleanliness mission and encouraged active civic participation.

The program was efficiently coordinated with technical support provided by **Dr. Utpalendu Ghosh** and **Prodipta Sarkar**. The banner design and overall supervision were undertaken by **Dr. Utpalendu Ghosh**, while **Mohini Gupta**, NSS Cadet, served as the anchor for the event. The event was documented through photography and related activities by **Jyotirmoyee Banerjee**, **Dwaipayan Pal**, and **Dulal Bouri**.

The program concluded with a renewed commitment among participants towards environmental protection and sustainable living. The event successfully fostered awareness regarding contemporary environmental issues and encouraged collective action for a greener and healthier future.
